REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance.

The examiner appreciates applicant's willingness to file a copy of the 08/176,855 application. The '855 application has been reviewed and appear to provide support for the Claims 26 and 28 directed to a polynucleotide consisting of exon 7 and 8. Therefore, the priority of a polynucleotide consisting of exon 7 or 8 would receive benefit of December 29, 1993.

Claims 24, 26, 28, 30, 39-40 are drawn to polynucleotides consisting of particular regions of SEQ ID NO: 1. The prior art fails to teach or suggest polynucleotides consisting of each of these regions. Therefore, the claims are novel and unobvious and allowable.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to examiner Jeanine Goldberg whose telephone number is (571) 272-0743. The examiner can normally be reached Monday-Friday from 7:00 a.m. to 4:00 p.m.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Gary Jones, can be reached on (571) 272- 0745.
